HYUNDAI HY3750i 3.2kW PETROL INVERTER GENERATOR

Hyundai 3.3kW max output, inverter generator with open framed styling. Ideal for powering sensitive electronics such as laptops, phones, travel fridges or any appliances within your motorhome, caravan or when camping without access to power. The long running time on its large 7.5L tank means fewer refuelling stops during a long weekend away or extended off-grid stay.
