HYUNDAI HYFT60SPX

223cc HEAVY-DUTY FIELD TRIMMER

Some areas are too rough for a lawnmower but too large for a handheld trimmer. Orchards, meadow edges, overgrown verges, and paddock borders fall into this gap. The Hyundai HYFT60SPX fills it. It's a wheeled, heavy-duty field trimmer that uses heavy-duty nylon line to cut through tall grass, weeds, and light scrub while you walk behind.

Specification

Model	HYFT60SPX
Start Method	Recoil start
Engine	173cc four-stroke petrol
Power Output	4.8hp / 3.6kW
