HYUNDAI HYMW80020MB 800W 20L MICROWAVE

Dinner is ready and you need it hot. The kids want their leftovers now. The mince is still frozen and you forgot to take it out this morning. The HYUNDAI HYMW80020MB is built for exactly these moments. It is an 800W 20L solo microwave with two dials — one for power, one for time — and nothing else to think about.
