HYUNDAI HYMW80020MW 800W 20L MICROWAVE

Dinner is ready and you need it hot. The kids want their leftovers now. The mince is still frozen and you forgot to take it out this morning. The HYUNDAI HYMW80020MW is built for exactly these moments. It is an 800W 20L solo microwave with two dials — one for power, one for time — and nothing else to think about. The stainless steel interior does not stain or rust, and it wipes clean in seconds
